

# The 2017 FCMA Excellence Awards

First Coast Manufacturers Association is a Northeast Florida-based trade association created to represent the views of manufacturing and related companies.

The FCMA Excellence Awards were created to recognize those individuals who are not only responsible for the success of our respective companies, but are also responsible for the quality of the life we enjoy on the First Coast. Recipients of the FCMA Excellence Award represent the very best in our community. The First Coast Manufacturers Association and The Florida Times-Union are proud to publish a Special Commemorative section that will highlight the accomplishments of the 2017 Award recipients.
